

# DHEERAJ PAL

dheerajpal0110@gmail.com | (+91)6397704407

Final-year B.Tech student with a solid academic record, seeking an internship in Frontend Development to apply and enhance my MERN stack skills, contribute to innovative projects, and gain hands-on industry experience.

## SKILLS

- JavaScript
- HTML
- CSS
- Java (DSA)
- React Js
- Express Js
- Node Js
- Tailwind CSS
- GitHub
- Figma
- Bootstrap
- MongoDB

## PROJECTS

### ❖ Expense Tracker

Developed an Expense Tracker application using **React.js** and **JavaScript**, enabling users to record, categorize, and analyze their expenses.

### ❖ Crypto Currency Tracker

The Crypto Tracker project, built with **React.js**, lets users check real-time cryptocurrency prices, offering easy market trend updates.

### ❖ Currency Converter

Developed a real-time currency converter with ReactJS and Tailwind, utilizing API integration for dynamic exchange rates.

### ❖ Editable Todo

Developed an editable to-do list application with ReactJS, Tailwind, and LocalStorage, enabling dynamic task management and persistent data storage.

### ❖ Chat Application

Developed a Chat Application using **React.js** and **Node.js**, featuring real-time messaging using **Socket.io**, and an intuitive interface.

## Practice PROJECT

### ❖ Redux-Toolkit Add To Cart

The Add-to-Cart project, built with Redux Toolkit and React.js, enables users to add and manage products in their shopping cart, providing a seamless shopping experience.

## EDUCATION

- Computer Science Engineering | Faculty of Engineering and Technology Agra College (2021-2025)
- XII (CBSE) | Gayatri Public School 84.5% | 2021
- X (CBSE) | Gayatri Public School 88.5% | 2019
